

VIDEO GAME VENTURE PROGRAM

OVERVIEW

Videogame stories can offer you a vast number of worlds to explore, experience, and entertain you at every turn. Some of the best ways to participate in activities like this can be with a group of friends.

Now you can take part in a Safe & Friendly network of your closest Crew Members in the Boy Scouts of America, as you work on Leadership Skills, Communication Skills, Team Building, Character Development, and Problem Solving Exercises offered through the wonderful world of Video Games and the Boy Scouts of America.

HOW TO SQUAD UP!

You will need the following items in order to participate in Crew planned gaming sessions.

- Video Game Console – PlayStation 4, Xbox One, or Nintendo Switch
- Approved Games for playing sessions
- Headset and/or Chatpad for communicating
- PSN or Xbox Live services to connect
- Internet Connection
