Dear Principal,

The year 2010 is a very special one. It marks the centennial anniversary of the Boy Scouts of America. The Cub Scouts and Boy Scouts who attend your school would like to conduct a special flag-raising to celebrate this event. The second week of February is designated as Scout Week throughout the United States. We ask that you work with your scouts as they demonstrate their commitment to the ideals that make our country and the scouting movement what they are today.

Any questions or concerns can be directed to your local scout volunteers or to the Yucca Council office. Thank you for your support of our youth leaders in your schools and for your support of the patriotism that made our nation great.

Yours in Scouting,

David J. Jones
Scout Executive, Yucca Council BSA
