Step 1: Create a Facebook Calendar Event

- Every campaign needs a “landing page” where interested families can be directed to learn more about your event. For Scouting, Facebook Calendar Events are an effective tool for lots of reasons.
- A [Facebook Calendar Event](#) is a calendar invitation you set up for events like joining nights, meetings and more. Events are easy to create and make it simple to reach people you want to invite to your joining event. Best of all, Moms are familiar with events and very comfortable using them.
- Important: To use Facebook calendar events you’ll need an [organization page for your Scout unit](#).

Step 2: Boost the Calendar Event

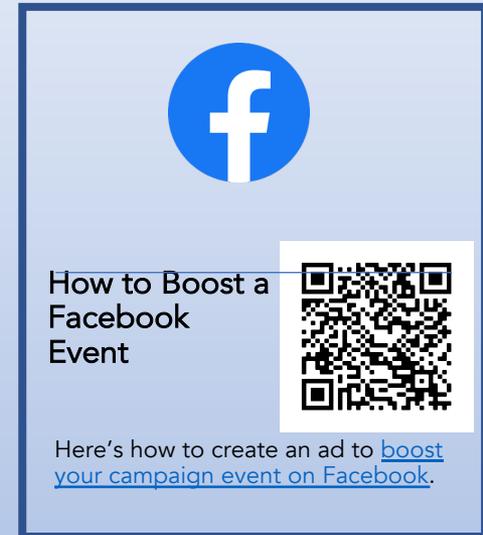

[Once you've created your Facebook calendar event, boost the Event](#) so it will be seen by more people.

What is boosting? Boosting is paid advertising and an essential step in promoting your event. For as little as \$1 a day, Facebook will promote your event to an audience that is broader than just people who follow or like your page.

This allows you to precisely target who will see your event. For example, you can geotarget parents of elementary school-age youth in a certain geographic such as a zip code or radius around a school or meeting place.

Taking it a step further, you can even geotarget the times and places parents gather - and spend time on their phones! Think Little League games, soccer tournaments or even pick up times at schools.

For tips to selecting the best geotarget settings, review the options on the next slide...

Boosting is a powerful, cost-effective marketing tool that's easy to use!

#ADVENTUREON

Choosing the Best Geotargeted Audience

Audience Selections

- **Geofencing Target:** Men & Women age 25-49
- **Interest Targeting:** Parents, Parents of Elementary Age Kids, Parents of 1st Grade, Parents of 2nd Grade, Parents of 3rd Grade, Parents of 4th Grade
- **Secondary Interest Targeting:** Outdoors, Camping, Hiking, STEM
- **Fence Radius:** Generally 2-4 miles around a joining event location . In dense urban areas, you may fence 0.5 miles. In more rural areas you may fence 10 miles. Use the walk/drive distance as a rule of thumb. Fence only as far out as the reasonable person would drive weekly to attend a Den/Pack Meeting.

Do's & Don'ts

- The more targeting info you enter, the narrower your audience will become. Go too narrow and you'll quickly cut out most of your audience.
- You can hold a joining event at one location, but fence around other locations. If you fence around multiple locations, the system will spread your budget across all the locations you fence. In that case, increase the spend so the dollars are not spread too thin to be effective.

Places to consider fencing around?

- Anywhere families are visiting. You do not need permission to fence around a location. It is an invisible fence.
- Consider schools, family-oriented restaurants, parks, playgrounds, rec centers, grocery stores, stadiums and sports venues, etc. Remember that being local is key. Fence locations that are near the joining event location.

Step 3: Launch Your Own Social Media Campaign

Launch a three-to-six-week social media campaign on Facebook to build awareness of your pack and invite families to join. We've made it easy!

Step 4: Go Hyperlocal with Fliers, Yard Signs and Posters

“All Scouting is Local.”

Because Cub Scout packs are community and neighborhood based, yard signs, fliers and posters are a good way to reach families in your area. Don't just rely on schools! Distribute join Scouting fliers, posters, and yard signs in and around libraries and friendly businesses.

- ❑ Ask local business to distribute fliers, for example local pizza restaurants may join fliers to the top of pizza boxes.
- ❑ Place yard signs where families go. Fast-food drive-thrus, community centers and libraries. Don't forget your own home.
- ❑ Make sure every flyer, poster or yard sign design includes a QR code to help direct families to your campaign event page. You can even create a unique QR code for each design to measure which type performed the best.

Step 5: Mobilize Your Scouting Families

“Many hands make light work.”

Reaching families, inviting them to join and onboarding them can be a lot of work if you go it alone. *Make sure you ask every leader and parent in your unit to help.*

Explain the joining event to your parents and leaders. Break up the tasks and ask people to help.

Ask your families to:

- Invite their friends and family to visit meetings – and join
- Share posts about the pack and the joining event on their social channels
- Distribute posters and fliers to local businesses and organizations
- Share news of the joining event to parent teacher association meeting, other and other groups organizations they may be part of.
- Drop off fliers to local after-school care centers
- Put up fliers and posters on community bulletin boards, coffee shops, grocery stores, etc.
