## **8<sup>th</sup> Annual Sporting Clays Tournament.**

***Sporting clays is a challenging clay target game designed to simulate field shooting. The sport originated in England in the early 1900's as a way for hunters to hone their skills. On a sporting clays course, shooters are presented with a variety of targets that duplicate the flight path of game birds in their natural environment.***

***Teams of 5 people each can complete 20+ shooting stations in the sporting clays course along with the popular game trailer and five stand stations as well. This is an exciting & enjoyable event for shooters of all skill levels.***

***Targets (clay pigeons), 12- & 20-gauge ammunition and meals are provided – participants need to bring a shotgun, eye & ear protection (all of which we can help arrange if you don't have). The event includes a raffle with excellent prizes. Individual, team & corporate sponsorships are available.***

***Youth age 10 and above may participate if they are accompanied by an adult and have completed the New Mexico Hunter Safety Online Course.***

***Proceeds from this event benefit Scouting programs in Northern New Mexico and the Four Corners Region of Colorado, Utah & Arizona.***
